BACKGROUND

1. On September 16, 2019 (the “**Petition Date**”), the Debtors each commenced with this Court a voluntary case under chapter 11 of the Bankruptcy Code. On September 27, 2019, the United States Trustee for the Southern District of New York (the “**U.S. Trustee**”) appointed

the creditors' committee pursuant to section 1102 of the Bankruptcy Code [D.I. 131]. On April 8, 2020, the Court entered an order authorizing the appointment of an independent fee examiner [D.I. 1023]. No request has been made for the appointment of a trustee.

2. The Debtors' chapter 11 cases are being jointly administered for procedural purposes only pursuant to Rule 1015(b) and the *Order Directing Joint Administration of Chapter 11 Cases* [D.I. 59] entered by the Court in each of the chapter 11 cases.

3. Additional information about the Debtors' businesses and the events leading up to the Petition Date can be found in the *Debtors' Informational Brief* [D.I. 17].

RETENTION OF K&S

4. On November 5, 2019, the Debtors applied to the Court for an order approving the retention of K&S as special counsel to the Debtors (the "**Retention Application**") [D.I. 427].

5. On November 25, 2019, the Court entered the Retention Order authorizing the Debtors to retain K&S as special counsel under the terms set forth in the Retention Application.

6. The Retention Order authorized the Debtors to compensate and reimburse K&S in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court. Specifically, the Retention Order authorized the Debtors to retain and employ K&S in accordance with the rates set forth in the Retention Application, to compensate K&S for services rendered, and to reimburse K&S for its reasonable and necessary expenses incurred, subject to application to this Court.

7. To date, the Debtors have paid K&S a total of \$14,595,763.60.

SUMMARY OF PROFESSIONAL COMPENSATION AND REIMBURSEMENT OF EXPENSES REQUESTED

8. In this Fee Application, K&S seeks allowance of compensation for professional services performed during the Fee Period in the amount of \$6,959,667.27 and of expenses

incurred in connection with the rendition of such services in the amount of \$133.10. During the Fee Period, K&S professionals expended a total of 32,665.7 hours in connection with the necessary services performed.

9. The fees charged by K&S in these chapter 11 cases are billed in accordance with K&S's existing billing rates and procedures in effect during the Fee Period (as discounted pursuant to the arrangement with the Debtors described in the Retention Application). As disclosed in the Retention Application, K&S, among other things, agreed as a courtesy to the Debtors to bill at approximately 90% of its hourly rates in effect when services are rendered. Additionally, K&S agreed to offer additional discounts to the Debtors, including but not limited to for certain fees on a sliding scale on fees exceeding certain amounts. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners performing services similar to those performed by K&S in these cases in a competitive national legal market.

10. **Exhibit B** attached hereto sets forth a summary and comparison of the aggregate blended hourly rates billed by K&S's timekeepers during the preceding twelve-month year and the blended hourly rates billed to the Debtors during the Fee Period. **Exhibit C** attached hereto sets forth a summary of fees by matter code against budgeted fees and hours. In the aggregate, K&S' fees incurred during the Fee Period were within 10% of the amounts budgeted for the Fee Period.

11. K&S's charges for its professional services are based upon the time, nature, extent and value of such services and the cost of comparable services incurred in cases other than under the Bankruptcy Code.

PROFESSIONAL SERVICES RENDERED DURING THE FEE PERIOD

12. In accordance with the UST Guidelines, all K&S professionals kept a contemporaneous record of time spent rendering services and separated tasks in billing

i. DOJ Opioid Marketing Investigations

Total Fees: \$385,495.59
Total Hours: 402.3

iv. Retention and Fee Applications

Total Fees: \$87,376.11

Total Hours: 126.8

In addition, among other things, K&S prepared and filed its Second Interim Fee Application and its monthly fee statements pursuant to the Bankruptcy Code, Local Rules, and UST Guidelines.

REASONABLE AND NECESSARY SERVICES

13. The foregoing professional services performed by K&S were necessary and appropriate. The professional services performed by K&S were in the best interests of the Debtors and their stakeholders. Compensation for such services is commensurate with the complexity, importance, and nature of the issues and tasks that are involved in matters related to the opioid investigations. The professional services were performed skillfully and efficiently.

14. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, it is respectfully submitted that the amount requested by K&S is fair and reasonable given (a) the need for the preservation and maximization of value for all participants in these cases; (b) the complexity of the Debtors' matters related to opioid investigations; (c) the time and labor required to represent the Debtors effectively; (d) the nature and extent of services rendered; (e)

K&S's experience, reputation and ability; (f) the value of K&S's services; and (g) the cost of comparable services other than in a case under the Bankruptcy Code.

15. K&S has reviewed the requirements of the UST Guidelines and believes that this Fee Application complies in all material respects with those requirements. To the extent this Fee Application does not comply in every respect with the requirements of such guidelines, K&S respectfully requests a waiver for any such technical non-compliance.

ACTUAL AND NECESSARY EXPENSES

16. A schedule specifying the categories of expenses for which K&S is seeking reimbursement and the total amount for each such expense category is set forth on the attached summary sheet.

17. K&S has incurred \$133.10 in expenses in connection with providing legal services to the Debtors during the Fee Period. These expenses were reasonable and necessary, and were incurred while providing services to the Debtors on matters relating to opioid claims and investigations.

NOTICE

18. Notice of this Fee Application will be provided to: (a) the entities on the Master Service List (as defined in the Case Management Order and available on the Debtors' case website at <https://restructuring.primeclerk.com/purduepharma>) and (b) any party that has requested notice pursuant to Bankruptcy Rule 2002 (collectively, the "Notice Parties").

NO PRIOR REQUEST

19. No prior request for the relief sought in the motion has been made to this or any other court.

CONCLUSION

For the foregoing reasons, K&S respectfully requests that the Court (i) award interim allowance of K&S's compensation for professional services rendered during the Fee Period in the amount of \$6,959,800.37, consisting of \$6,959,667.27 in fees and \$133.10 in actual and necessary expenses, in all instances as incurred during the Fee Period, (ii) direct payment of the difference between the amounts allowed and any amounts previous paid pursuant to the Interim Compensation Order, and (iii) grant such other and further relief as is just and proper.

counsel for Purdue Pharma L.P. and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**”).

2. This certification is made in respect of K&S’ compliance with the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals*, dated November 21, 2019 [Docket No. 529] (the “**Interim Compensation Order**”), the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases Pursuant to General Order M-447 (Jan. 29, 2013) (the “**Local Guidelines**”), and the U.S. Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases, effective November 1, 2013 (the “**UST Guidelines**,” and together with the Interim Compensation Order and the Local Guidelines, the “**Fee Guidelines**”).

3. This certification is made in connection with K&S’ fee application, dated November 16, 2020, for interim compensation and reimbursement of expenses for the period commencing June 1, 2020 through and including September 30, 2020 in accordance with the Fee Guidelines (the “**Fee Application**”).

4. Pursuant to section B(1) of the Local Guidelines, I certify that: (i) I have read the Fee Application; (ii) To the best of my knowledge, information, and belief formed after reasonable inquiry, the fees and disbursements sought fall within the Local Guidelines; (iii) The fees and disbursements sought are billed at rates in accordance with those customarily charged by K&S and generally accepted by K&S’ clients, except that K&S has provided the Debtors with certain discounts, as detailed in the Fee Application; and (iv) In providing a reimbursable service, K&S does not make a profit on that service, whether the service is performed by K&S in-house or through a third party.

5. Pursuant to section B(2) of the Local Guidelines, and as required by the Interim Compensation Order, I certify that K&S has complied with provisions requiring it to provide notice to certain designated parties of a statement of K&S' fees and expenses accrued during the previous months.

All services for which compensation is sought were professional services rendered on behalf of the Debtors and not on behalf of any other person.

8. The following is provided in response to the request for additional information set forth in ¶ C.5 of the UST Guidelines.

Question: Did K&S agree to any variations from, or alternatives to, your standard or customary billing rates, fees, or terms for services pertaining to this engagement that were provided during the Fee Period?

Answer: Yes. K&S agreed as a courtesy to the Debtors to bill at approximately 90% of its hourly rates in effect when services are rendered. Additionally, K&S agreed to offer additional discounts to the Debtors, including on a sliding scale on certain fees exceeding certain amounts.

Question: If the fees sought in this Fee Application as compared to the fees budgeted for the time period covered by this Fee Application are higher by 10% or more, did K&S discuss the reasons for the variation with the Debtors?

Answer: The aggregate amount of fees sought in this Fee Application as compared to the fees budgeted for the time period covered by this Fee Application is not more than 10% higher. With respect to the individual matter concerning the UCC

discovery requests, the fees incurred by K&S as compared to the budgeted amount were more than 10% higher because there was a significant increase in work which required K&S to onboard new privilege review attorneys. In addition, due to the increased workload, the Debtors approved increasing the daily timekeeper cap of 10 billable hours per day to 12 billable hours per day. K&S provided to the Debtors detailed monthly updates regarding unbilled fees and expenses and the reasons for this variation.

Question: Have any of the professionals included in this Fee Application varied their hourly rate based on the geographic location of these chapter 11 cases?

Answer: No. The hourly rates used by K&S in representing the Debtors are consistent with the rates K&S charges other comparable chapter 11 clients, regardless of the location of the chapter 11 cases.

Question: Does the Fee Application include time or fees relating to review, revising, or reducing time records or preparing, reviewing or revising invoices? If so, please quantify by hours and fees.

Answer: Yes. The Fee Application includes time relating to reviewing, revising, or reducing time records or preparing, reviewing or revising invoices. Hours: 1.9; total fees: \$1,301.94.

Question: Does the Fee Application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Answer: No.

Question: If the Fee Application includes any rate increases since K&S's retention, did the Debtors review and approve of those rate increase in advance? Did the Debtors agree when retaining K&S to accept all future rate increases?

Answer: Yes, the Debtors reviewed and approved the rate increases for certain services that took effect in March 2020. The subject of future rate increases was not discussed when K&S was retained by the Debtors.
